This research uses e-Journal Cakrawala as observation unit. As well as an evaluation to find out whether e-journal Cakrawala as the source of final assignment for students of Faculty of Social and Communication Sciences of Universitas Kristen Satya Wacana Salatiga. The objectives of this research are: (1) To know the use of e-Journal Cakrawala by SWCU Fiskom students, (2) To know the causes of the low use of e-Journal Cakrawala, and (3) To know what factors influence students SWCU Fiskom uses e-Journal Cakrawala as the source of Final Project writing. The approach used in this study is a qualitative approach. The results showed that students who have tried e-Journal Cakrawala also prefer the print version. Causes of low use of e-Journal Cakrawala, among others, lack of socialization from the faculty. Competition with e-Journal and other repositories on search engines is also a factor of low access. Factors that influence the use of e-Journal Cakrawala include internal factors and external factors. Internal factors consist of interest, motivation and individual needs of students, while external factors consist of completeness of the article, understanding the content and availability of information from the e-Journal Cakrawala.
